To whom it may concern:

It is with a great honor that I recommend Mrs. Sundas Mohi-Truong for the position of Member at Large for the Texas Orchestra Directors Association (TODA). Sundas is currently the Head Director of Orchestras at Klein Cain High School after serving as the Director of Orchestras at Paetow High School and Assistant Director of Orchestra at Tompkins High School. Throughout her time in all positions, Sundas has established herself as a master teacher and leader that not only works to support the progress and success of her program, but the progress and success of other orchestra directors, particularly orchestra directors who are new to the field.

Being a young teacher, Sundas is savvy when it comes to establishing (and maintaining) a brand and utilizing social media to create a presence online that is welcoming, informative, and engaging. Sundas does an excellent job of capturing moments with her students through photography, artwork, and social events and I know that she will be an asset to any organization that looks to her guidance for building a network of people that goes beyond just being colleagues. Sundas has an innate ability to build relationships and motivate others to reach a common goal of doing what is best for students.

It is these characteristics that give me great confidence in stating that Sundas will be the perfect addition to the TODA Board.
